Aviawest Resorts to Manage the Former Tauca Lea Resort in Ucluelet, BC

Victoria, British Columbia

March 12, 2009

Aviawest Resorts has recently signed rental agreements with selected owners of the former Tauca Lea Resort in Ucluelet, BC on the western coast of Vancouver Island.

Since 2002, Aviawest has operated a number of vacation homes at Tauca Lea Ucluelet as Aviawest at The Pacific Rim. Now, Aviawest adds 60 vacation homes to their rental pool under the new name **Water's Edge Resort at Pacific Rim.**

"Managing the majority of the property allows us to provide a higher level of service to all guests," says Jim Pearson, CEO of Aviawest Resorts.

"These luxury vacation homes have been highly demanded by travelers from around the world and we're excited to be able to have more inventory under the Aviawest flag at the Water's Edge Resort," says Pearson.

Each condominium at Water's Edge is individually owned and now Aviawest is able to offer condo owners the ability to trade their unit at Water's Edge to over 4000 vacation homes globally through Aviawest's affiliation with Resort Condominiums International. Brands such as Hilton, Disney and other high quality properties are a few which Water's Edge owners are now able to access.
